UPDATED APRIL 2017

Agencies and Resources

The Indiana Commission for Higher Education

Created in 1971 by an act of the General Assembly and signed into law by then-Governor Edgar Whitcomb, the Indiana Commission for Higher Education is now in its fourth decade of service to the State of Indiana. The Commission is a fourteen-member public body created to define the educational missions of public colleges and universities; plan and coordinate Indiana's state-supported system of post-high school education, taking into account the plans and interests of independent colleges and universities; review both operating budget and capital budget appropriation requests from public institutions; approve or disapprove for public institutions the establishment of any new branches, campuses, extension centers, colleges or schools; approve or disapprove for public institutions the offering of any additional associate, baccalaureate or graduate degree or certificate program of two semesters or more in duration; review all programs of public institutions and make recommendations to the governing board of the institution, the Governor, and the General Assembly concerning the funding and the disposition of these programs; and, distribute student financial aid from state aid programs. To learn more about the Commission or about attending college in Indiana, visit in.gov/che and www.learnmoreindiana.org.

Finish Your Degree

Enacted by the 2015 Indiana General Assembly, **You Can. Go Back.** is a statewide campaign that aims to help the 750,000+ Hoosier adults with some college but no degree finish what they started.

With \$7.5 million in state grants available for adult students, the Indiana Commission for Higher Education (CHE) is reaching out to Hoosiers directly and connecting them with Indiana colleges that are committed to eliminating barriers for returning adults. Many colleges are offering special programs and incentives—including flexible class schedules and online courses, college credit for work and military experience, grade- and debt-forgiveness programs—as well as scholarships, tuition discounts and \$1,000 in state grants on a first-come, first-serve basis for qualifying students. For more information, visit www.youcangoback.org.

Indiana College Network

The Indiana College Network (ICN) is a partnership of Indiana's colleges and universities working together to provide higher education to Indiana citizens wherever they live and work. Through its website, ICN provides information about distance learning opportunities available in Indiana. The partner institutions' distance education degree and certificate programs consist of actual college classes that are equivalent to on-campus courses. To learn more about ICN, call the ICN Student Services Center at 1-800-426-8899, e-mail info@icn.org or visit www.icn.org.

Scholarships and Financial Aid

State Financial Aid Information

21st Century Scholars Program

Indiana's 21st Century Scholars is a needs- and performance-based program that provides students the opportunity to earn up to a four-year scholarship at an Indiana college or university. Hoosier students who meet income criteria can enroll during their 7th- or 8th-grade year of middle school. Students commit to maintaining academic success, remaining drug and alcohol free, and completing college-preparation activities. Scholars are provided resources and assistance to help them prepare for college and pay for expenses not covered by their scholarship. For more information on this program, visit www.in.gov/21stcenturyscholars or contact the Division of Student Financial Aid at 1-888-528-4719.

Indiana Frank O'Bannon Grant

This grant provides Indiana residents with need-based grants for tuition and mandatory fees for students planning to attend eligible public, private, and proprietary postsecondary institutions. Applicants must be a high school graduate, plan to attend an eligible postsecondary institution, plan to enroll in a course of study that lead to an associates or bachelor's degree, plan to enroll as a full-time student, and must abide by credit completion requirements each academic year to renew maximum reward. Applicants also must file a Free Application for Federal Student Aid (FAFSA). For more information, contact the Division of Student Financial Aid at 1-888-528-4719.

Minority Teacher Scholarship

This scholarship is designed to address the critical shortage of African-American and Hispanic teachers in Indiana. Applicants must be African-American or Hispanic. Applicants must be admitted to or already attend an eligible Indiana college or university as a full-time student; be a first-time undergraduate student; maintain the cumulative GPA required for admission to the institution's school of education; pursue a course of study that would enable them to teach in an accredited Indiana elementary or secondary school; agree in writing to apply to such school and, if hired, teach for at least 3 years; and file a Free Application for Federal Student Aid (FAFSA). To apply, applicants must submit the William A. Crawford Minority Teacher Scholarship Application through ScholarTrack at scholartrack.che.in.gov. For more information, contact the Division of Student Financial Aid at 1-888-528-4719.

EARN Indiana

The Employment Aid Readiness Network Indiana is a state work-study program that offers students with financial need access to paid internships. Full- or part-time students from Indiana who meet Expected Family Contribution thresholds are eligible for the program. EARN Indiana works with Indiana INTERNnet to match students and employers to maximize each student's academic success and career achievement. To learn more about EARN Indiana, visit indianaintern.net/earn_info or contact the Division of Student Financial Aid at 1-888-528-4719.

Mitch Daniels Early Graduation Scholarship

This scholarship is an educational benefit for students who graduate from a publicly-supported high school at least one year early. The scholarship pays \$4,000 to be applied first to any remaining unpaid tuition and fees and can be used at any eligible Indiana college. This is a one-time benefit and may not be renewed or used for remedial course work. Applicants must be an Indiana resident, have attended a publicly-supported high school for at least 2 semesters as a full-time student, been awarded a minimum of a Core 40 high school diploma by the end of 11th grade, and enroll as a full-time student at an eligible institution no later than the fall semester of the same year. To apply, applicants must submit the Mitch Daniels Early Graduation Scholarship Application through ScholarTrack at scholartrack.che.in.gov and file a Free Application for Federal Student Aid (FAFSA). For more information, contact the Division of Student Financial Aid at 1-888-528-4719.

Federal Financial Aid Information

The U.S. Department of Education offers student financial assistance through Pell grants, Stafford Loans, PLUS Loans, Consolidation Loans, Supplemental Educational Opportunity Grants, Work-Study and Perkins Loans. To be eligible for aid, students must demonstrate financial need, have a high school diploma or GED, plan to enroll as a regular student in an eligible program, be a U.S. citizen or an eligible noncitizen, have a valid Social Security number, make satisfactory academic progress, and sign a statement of educational purpose and a certification statement on overpayment and default.

Students interested in receiving financial aid must complete a Free Application for Federal Student Aid (FAFSA) by March 10 (please allow 5-7 business days for processing) of the academic year the applicant plans to enroll. Forms are available through high school guidance offices, college financial aid offices or by contacting the U.S. Department of Education at 1-800-USA-LEARN. To complete the form online, visit fafsa.ed.gov.

THE FEDERAL STUDENT AID INFORMATION CENTER can answer your student aid questions and offer help filling out the FAFSA. Contact the FSAIC at 1-800-4-FED-AID (1-800-433-3243).

IMPORTANT DEFINITIONS

- Grant:** Financial aid, often based on financial need, that does not need to be repaid (unless, for example, you withdraw from school and owe a refund).
- Loan:** Borrowed money which must be repaid with interest.
- Work-Study:** A federal student aid program that provides part-time employment while you are enrolled in school to help pay your education expenses.

Federal Pell Grants

Federal Pell Grants are given to students depending on financial need, cost of attendance, full-time or part-time status, and more. The maximum award is \$5,815 for 2016-2017 and the maximum award changes yearly. A Federal Pell Grant does not need to be repaid, unlike a loan, except under certain circumstances. If your parent or guardian was a member of the U.S. Armed Forces and died as a result of military service performed in Iraq or Afghanistan after the events of 9/11, you may be eligible for additional Federal Pell Grants funds if you were less than 24 years old or enrolled in college at the time of your parent or guardian's death. To apply, applicants must file a Free Application for Federal Student Aid (FAFSA) by March 10 (please allow 5-7 business days for processing) of the academic year the applicant plans to enroll and again every year they continue to enroll.

AmeriCorps

AmeriCorps programs offer funds for postsecondary education in return for community service work. The funds can be used for either current educational expenses or to repay federal student loans. For more information, call 1-800-942-2677, visit www.americorps.gov or write to: The Corporation for National Community Service, 1201 New York Avenue NW, Washington, D.C. 20005.

Federal Supplemental Educational Opportunity Grant (FSEOG)

A Federal Supplemental Educational Opportunity Grant is for undergraduate students with exceptional financial need. It is a campus-based aid that is administered directly by the financial aid office at each participating school. The amount of scholarship students may receive depends on financial need, time of application, the amount of other aid the student receives, and the availability of funds at the school. Unlike the Federal Pell Grant Program, FSEOG awards are first-come, first-serve. Once the school's FSEOG funds have been awarded, no more awards can be made for that year. Students should apply as early as possible by filling out the Free Application for Federal Student Aid (FAFSA) by March 10 (please allow 5-7 business days for processing) of the academic year the applicant plans to enroll. Students that receive Pell Grants and have the most financial need will receive FSEOGs first.

TEACH Grant Program

The TEACH Grant is for students who are studying to become a teacher and plan to teach in a high-need field in a low-income area. The grant provides up to \$4,000 per year to students that meet certain requirements. In order to receive the grant, you must sign a TEACH Grant Agreement to Serve in which you agree to teach in a high-need field at a school or educational service agency that serves students from low-income families for at least four (4) academic years within eight years of completing the course of study for which you received the grant. If you do not complete the teaching obligation, the funds you received will be converted to a Direct Unsubsidized Loan. To apply for the grant, you must complete the Free Application for Federal Student Aid (FAFSA) by March 10 (please allow 5-7 business days for processing); be enrolled as an undergraduate, post baccalaureate, or graduate student at a school that participates in the TEACH Grant Program; meet certain academic achievements; receive TEACH Grant counseling; and sign a TEACH Grant Agreement to Serve.

Colleges and Universities

Ancilla College

9601 Union Road, P.O. Box 1, Donaldson, IN 46513, (574) 936-8898 / (866) ANCILLA / www.ancilla.edu

Degrees Offered: Associate of Arts, Associate of Science, Associate of Science in Nursing and Associate of Applied Science with a total of 21 majors offered and 8 one-year certificates available.

Religious Affiliation: Roman Catholic

Chartered: 1937

Student/Faculty Ratio: 11:1

Enrollment: 625

Tuition: \$14,100 per year

Housing: \$4,450 per semester

Anderson University

1100 East 5th Street, Anderson, IN 46012, / (800) 428-6414 / www.anderson.edu

Degrees Offered: Associates, Bachelors, Graduate and pre-professional programs are available through the College of Arts, College of Science and Humanities, School of Business, School of Education, School of Nursing and School of Theology and Christian Ministry.

Religious Affiliation: Church of God

Chartered: 1917

Student/Faculty Ratio: 16:1

Enrollment: 1,907 undergraduates

Tuition: \$27,520 per year

Housing: \$9,380 per year: All undergraduates under 22 years old and not living with parents are required to live on campus.

Ball State University

2000 W. University Avenue, Muncie, IN 47306, (765) 289-1241 / (800) 382-8540 / www.bsu.edu

Degrees Offered: 190 undergraduate majors and 140 master's, doctoral, certificate and specialist degrees are offered through the College of Applied Sciences & Technology, College of Architecture & Planning, College of Business, College of Communication, Information and Media, College of Health, College of Fine Arts, College of Sciences and Humanities, and the Teachers College.

Religious Affiliation: Public

Chartered: 1898; Became a state school in 1918

Student/Faculty Ratio: 19:1

Enrollment: 14,997 undergraduates

Tuition: \$7,698 per year plus fees

Housing: \$8,970: All first-time freshman students and all transfer students who have completed 24 semester hours or less prior to initial enrollment at Ball State are required to live in university residence halls unless they are 21 years old, live with their parents in their parents' permanent home, or are married.

Bethel College

1001 West McKinley Avenue, Mishawaka, IN 46545-5591, (574) 259-8511 / (800) 422-4101
www.bethelcollege.edu

Degrees Offered: 50 areas of study available in Accounting, American Sign Language, Applied Politics, Arts and Sciences, Biblical Studies, Biology, Business, Chemistry, Christian Ministries, Communication, Criminal Justice, Education, History and Contemporary Society, Humanities, Kinesiology, Math and Engineering, Music, Nursing, Psychology, Religion and Philosophy, and Theatre.

Religious Affiliation: Christian Missionary **Chartered:** 1947
Student/Faculty Ratio: 12:1 **Enrollment:** 1,650
Tuition: \$27,580 per year plus fees **Housing:** \$8,420

Butler University

4600 Sunset Avenue, Indianapolis, IN 46208-3485, (317) 940-8000 / (800) 368-6852 / www.butler.edu

Degrees Offered: Bachelor's degrees are available in 65+ academic majors through the Colleges of Liberal Arts and Sciences, Education, Business, Communication, Pharmacy and Health Sciences, and the Jordan College of the Arts. There are 18 Master's degree programs and a Doctor of Pharmacy program.

Religious Affiliation: Independent **Chartered:** 1855
Student/Faculty Ratio: 12:1 **Enrollment:** 4,798
Tuition: \$38,900 per year plus fees **Housing:** \$13,030: First-year students not living with a parent or legal guardian are required to live on campus.

Calumet College of St. Joseph

2400 New York Avenue, Whiting, IN 46394-2195, (877)700-9100 / www.ccsj.edu

Degrees Offered: 21 Bachelor's degrees, 4 Graduate degrees and 3 Adult Degree Completion programs.

Religious Affiliation: Roman Catholic **Chartered:** 1951
Student/Faculty Ratio: 16:1 **Enrollment:** 1,262
Tuition: \$17,650 **Housing:** No on-campus housing.

10 Fastest-Growing Careers

1. Online retailing

Student/Faculty Ratio: 13:1

Chartered: 1940

Tuition: \$4,070.55 undergraduate

Enrollment: 1,528

(12-18 credit hours) banded tuition rate

Indiana University-Purdue University Ft. Wayne

2101 E. Coliseum Boulevard East, Fort Wayne, IN 46805-1499, (260) 481-IPFW / www.ipfw.edu

Degrees Offered: More than 100 Certificates, Associate's, Bachelor's and Graduate degrees are offered.

Student/Faculty Ratio: 18:1

Chartered: 1964

Tuition: \$8,213 per year

Enrollment: 8,992

Indiana University-Purdue University at Indpls.

420 University Blvd., Indianapolis, IN 46202, (317) 274-5555 / www.iupui.edu

Degrees Offered: IUPUI offers a distinctive range of Bachelor's, Master's, professional and Ph.D. degrees in more than 255 undergraduate and graduate majors within 21 academic schools and divisions.

Student/Faculty Ratio: 17:1

Chartered: 1969

Tuition: \$7,750 per year plus fees

Enrollment: 22,409 undergraduates

Herron School of Art and Design

735 W. New York St., Indianapolis, IN 46202, (317) 278-9400

www.herron.iupui.edu

Degrees Offered: Part of IUPUI, Herron offers 11 undergraduate programs and 4 Master's programs.

Tuition: \$4,070.55 per semester

Enrollment: 800

Indiana Wesleyan University

4201 South Washington Street, Marion, IN 46953, (765) 674-6901 / (800) 332-6901 / www.indwes.edu

Degrees Offered: 80 undergraduate degree programs and 30 graduate degree programs. Adult and graduate programs are offered at 16 regional education centers.

Religious Affiliation: Wesleyan Church

Student/Faculty Ratio: 14: 1

Chartered: 1920

Tuition: \$24,102 per year

Enrollment: 3,040 undergraduates

Housing: \$7,712; students must live on campus unless they are 23 years of age, have completed 90 credit hours or are living with their parents or guardians.

Ivy Tech – Community College of Indiana

(888) 489-5463

www.ivytech.edu

Ivy Tech Community College is the nation's largest statewide community college with single accreditation. It is the state's second largest public post-secondary institution with 150 programs and 32 degree-granting locations. Accelerated Certified Training (ACT) is delivered by Ivy Tech Community College's Department of Workforce and Economic Development. It offers local affordable solutions for Indiana business and industry training needs. It is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. All campuses are commuter campuses.

Degrees Offered: Ivy Tech offers degrees, certificates and certifications in eight schools: Applied Sciences and Engineering Technology, Business, Education, Fine Arts and Design, Health Sciences, Liberal Arts and Sciences, Public and Social Services, and Technology

Student/Faculty Ratio: 20:1

Chartered: 1963

Tuition: \$135.15 per credit

Enrollment: 170,000 statewide

Housing: Ivy Tech does not operate residence halls, but assistance is available through the Office of Student Affairs. Ivy Tech-Northeast students are eligible to live in the IPFW Student Housing on the Waterfield Campus.

Admissions: The Community College of Indiana has an open enrollment policy, which means enrollment is open to everyone and there is no application fee.
