There are three State Aid Programs for Tuition and Fee Exemption administered by IDVA through Scholar Track. All students must file a Free Application for Federal Student Aid (FAFSA) before applying for these benefits in Scholar Track (see page 5).

1. Tuition and Fee Exemption for the Child(ren) of a Disabled Veteran or POW/MIA or Purple Heart Recipients

The Tuition and Fee Exemption for Children of Disabled Veterans and Children of Purple Heart Recipients provides up to 100% of tuition and regularly assessed fees for up to 124 semester credit-hours at Indiana public colleges and universities at the undergraduate resident tuition rate. Full program requirements listed at www.in.gov/che/4517.htm and www.in.gov/che/4994.htm.

Documents needed for eligibility determination:

- a. Proof of relationship to the veteran (step-children are not eligible for this benefit)
- b. A DD214 showing veteran's wartime service OR award of Service, Campaign or Expeditionary Medal if all active duty was during peacetime and equally hazardous duty was performed. If the student is applying as the child of a Purple Heart recipient or child of a POW, and the veteran is not service-connected disabled, proof of award of the Purple Heart Medal or POW status is required
- c. USDVA service-connected disability rating award letter

2. Tuition and Fee Exemption for Indiana Purple Heart Recipients

The Tuition and Fee Exemption for Indiana Purple Heart Recipients provides up to 100% of tuition and regularly assessed fees for up to 124 semester credit-hours at Indiana public colleges and universities at the undergraduate resident tuition rate. 3. Tuition and Fee Exemption for Former Students of the Morton Memorial High School/ Soldier's and Sailor's Home

The Commission of Higher Education offers a supplement to other state grants by guaranteeing 100% of tuition and regularly assessed fees for students who are former students and/or graduates of Morton Memorial High School and former residents of the Indiana Soldiers' and Sailors' Children's Home (ISSCH). In addition, remission for the cost of course-related books is available, up to \$600 per term. IDVA will verify the student's attendance at the Morton Memorial High School from the cumulative list IDVA has on file. No documents need be uploaded when applying for this program. Full program requirements listed at www.in.gov/che/4522.htm.

How to apply for tuition and fee exemption at scholartrack.in.gov

All students should create an account in Scholar Track. Once the account is verified the student can access their account and apply for the appropriate state aid program. Parents cannot apply for the student – it must be done under the student's account. Before the student submits the application, proof of relationship to the veteran parent must be uploaded or the application cannot be processed. A birth certificate, Consulate Report of Birth Abroad, or appropriate adoption paperwork are all acceptable. All documents need to list the veteran parent. If available, please also upload proof of veteran's active duty wartime service and proof of service connected disability and, if needed, proof of Indiana residency.

If you are the Child of the Veteran:

The biological or legally adopted child(ren) of eligible disabled Indiana veterans may be eligible for Tuition and Fee Exemption at any state-supported post-secondary school or university in the State of Indiana. Children of veterans must upload a copy of their birth certificate or adoption papers with their online application. PLEASE DO NOT SUBMIT APPLICATIONS WITHOUT UPLOADING PROOF OF RELATIONSHIP TO THE VETERAN. The child must have been legally adopted before age 18. Stepchildren are not eligible.

Veteran active duty military service requirements:

The veteran must have served on active duty in the U.S. Armed Forces during a period of wartime or equally hazardous duty that was recognized by the award of a service, campaign or expeditionary medal of the United States (the military discharge DD214 / DD215, award orders, or certificate of the award must reflect the medal).

Eligible wartime dates are

WWII: December 7, 1941 - December 31, 1946

Vietnam: Aug 5, 1964 - May 7, 1975

Korea: June 27, 1950 - Jan 31, 1955

Gulf War: August 2, 1990 - present

Indiana Residency Requirements: The veteran must have either entered the active military duty from an Indiana Home of Record address (as noted on the DD214 Certificate of Release or Discharge from Active Duty) or resided in Indiana 5 years before the student first applies for the benefit. Additional documents may be required for residency verification.

Child's relationship to the veteran requirements: Be the biological child of the veteran; OR, if adopted, the student must have been adopted prior to age 18. Step-children are not eligible for this program.

Note: If documents verifying the veteran's active, wartime, service dates and service-connected VA disability rating are not available for upload, IDVA will request this information from the VA Regional Office in Indianapolis. This can sometimes take a week or longer to obtain. These information requests do not include proof of award of the Purple Heart Medal or POW status of the veteran. This information must be uploaded if applying as the child of one of these two categories. Additional proof of the veteran's residency may be required as well before eligibility of the student can be determined. We will notify the student if additional documents are needed to verify the veteran's residency.

Additional program details:

For students whose veteran parents enlisted in the armed forces before July 1, 2011, the tuition and fee exemption for Children of Disabled Veterans or POW/MIA or Purple Heart Recipients covers 100% tuition and regularly assessed fees at the undergraduate resident tuition rate.

For students whose veteran parents enlisted in the armed forces on or after July 1, 2011, the tuition and fee exemption for Children of Disabled Veterans or POW/MIA or Purple Heart Recipients covers a percentage of tuition and regularly assessed fees at the undergraduate resident tuition rate based on the veteran parent's disability percentage assigned by the United States Department of Veterans Affairs. Additionally, under the Colmery Act of 2017, also known as the "Forever GI Bill," all Purple Heart award recipients are eligible for Post 9/11 GI Bill entitlement providing the award was made during service occurring on or after Sept. 11, 2001, and the recipient continues on duty or receives an honorable discharge.

Housing and Employment Benefits

Housing Grants for Disabled Veterans: Service members and Veterans with certain service-connected disabilities may be entitled to a housing grant from VA to help build a new specially adapted house, to adapt a home they already own, or buy a house and modify it to meet their disability-related requirements. Eligible Veterans or service members may now receive up to three uses of the grant, with the total dollar amount of the grants not to exceed the maximum allowable. Housing grant amounts may be adjusted Oct. 1st every year based on a cost-of construction index. These adjustments will increase the grants amounts or leave them unchanged; grant amounts will not decrease. Previous

grant recipients who had received assistance of less than the current maximum allowable may be eligible for an additional grant usage. To obtain general information about the Specially Adapted Housing program, visit: www.benefits.va.gov/homeloans/adaptedhousing.asp or call the program's local office at 1-877-827-3702.

Employment Services: In partnership with the Department of Labor, VA provides support to Veterans and transitioning service members at all stages of their job search, including career advice, resume building, and access to employers who want to hire Veterans and military spouses. Additional information and access to services are available at <https://www.va.gov/careers-employment>.

Preventing Veteran Homelessness: Veterans who believe they may be facing homelessness as a result of losing their homes can call 1-877-4AIDVET (877-424-3838) or visit: <https://www.va.gov/homeless/> to receive assistance in preventing homelessness.

Burial Benefits

VA operates 136 national cemeteries, of which 78 are currently open for both new casket and cremation interments, and 17 may accept new interments of cremated remains only. Burial options are limited to those available at a specific cemetery and may include in-ground casket, or interment of cremated remains in a columbarium, in ground, or in a scattering area. For more information, visit the National Cemetery Administration at www.cem.va.gov.

Burial Flags: VA will furnish a U.S. burial flag to recognize deceased Veterans who received an other than dishonorable discharge. This includes certain persons who served in the organized military forces of the Commonwealth of the Philippines while in service of the U.S armed forces and who died on or after April 25, 1951. Also, eligible for a burial flag are Veterans who were entitled to retired pay for service in the Reserves or National Guard; or would have been entitled if over age 60; and members or former members of the Selected Reserve who served their initial obligation; or were discharged for a disability incurred or aggravated in the line of duty; or died while a member of the Selected Reserve. The next of kin may apply for the burial flag at any VA Regional Office or U.S. Post Office by completing VA Form 21-2008; Application for United States Flag for Burial Purposes. In most cases, a funeral director will help the family obtain the flag. For more information, visit http://www.cem.va.gov/cem/burial_benefits/burial_flags.asp.

Memorial Markers: VA provides memorial headstones and markers for placement in a national cemetery, a Veterans cemetery owned by a state or in the case of a Veteran, in a state, tribal, local or private cemetery with "IN MEMORY OF" as the first line of inscription for those whose remains are unavailable for burial. Remains that are unavailable for burial are those that have not been recovered or identified, were buried at sea, donated to science or cremated and scattered completely. Only eligible Veterans are authorized to receive memorial headstones or markers for use in private cemeteries; memorial headstones and markers are not authorized for placement in tribal cemeteries (including Veterans). For memorial headstone or marker requests, applicants must be a member of the decedent's family (spouse, individual in a legal union with the decedent, child, parent, or sibling, whether biological, adopted, or steprelation, and any lineal or collateral descendant of the decedent).

To submit a claim for a headstone or marker, or for a memorial marker for placement in a private cemetery, use VA Form 40-1330, Claim for Standard Government Headstone or Marker (available at <http://www.va.gov/vaforms/>) and provide a copy of the Veteran's military discharge documents or proof of military service. Claims sent without supporting documents will be delayed until eligibility can be determined.

Mail the completed form and supporting documents to Memorial Products Service, Department of Veterans Affairs, 5109 Russell Road, Quantico, VA 22134-3903. The form and supporting documents may also be faxed toll free to 1-800-455-7143.

The Indiana Military Veterans Hall of Fame Medallion

Indiana Military Veterans Hall of Fame

The Indiana Military Veterans Hall of Fame (IMVHOF), a 501(c)3 organization, was founded in 2013. The IMVHOF's stated objective is "to publically emphasize the honor brought to our state and nation by the sacrifice of Indiana military veterans and their families."

On April 25, 2013, the Indiana General Assembly recognized the Indiana Military Veterans Hall of Fame organization. Indiana has the nation's only freestanding building dedicated to its Hall of Fame and follows only a handful of other states who have established similar organizations.

The year 2014 marked the first induction of Hoosier Veterans into the Hall of Fame. Each inductee received the Hall of Fame medallion and certificate. Up to 15 Indiana military veterans may be inducted into the Hall of Fame each year.

On April 5, 2018, the Indiana Military Veterans Hall of Fame held the official grand opening of its memorial building located at 5360 Herbert Lord Road on the former Fort Benjamin Harrison in Lawrence, Indiana. Self-guided tours are available Monday through Friday from 9:00 a.m. – 4:00 p.m. For more information about the Indiana Military Veterans Hall of Fame, visit imvhof.com or call (317) 916-6164.
