Updated September 2020
There are so many times we can get stuck looking for resources and it is overwhelming to sift through all the information produced from an internet search. This website acts as a filter so that veterans can find the resources they are looking for, either with a direct link or PDFs that offer additional information. Many of these places IDVA has worked with before to assist with services outside of the agency. Information provided in the resource hub covers the following topics: Discounts; Education; Employment; Family, Youth & Elders; Financial Assistance; Financial Guidance; Home Ownership, Modifications & Repairs; Homelessness & Transitional Housing; Legal; Medical; Military; Peer 2 Peer Support; and Volunteering. If you prefer, you can also search through the Veterans Service Index by type of service or geographic location at www.in.gov/dva/veteranservicesandresources.htm.

The mission of the Indiana Department of Veterans Affairs is to assist Hoosier Veterans, service personnel, and their dependents and/or survivors in obtaining every benefit and advantage due them under the laws of the State of Indiana and the United States. The IDVA works with a network of certified County Veteran Service Officers who are there to assist with information and the preparation of paperwork at no cost. Visit the Benefits Portal website above to answer a few questions and find out what benefits you are entitled to receive.

The service organizations listed below are accredited to represent veterans and their dependents in the filing of claims. All offices are located at 575 N. Pennsylvania, Street, Indianapolis, IN 46204.

Indiana Military Veterans Hall of Fame

The Indiana Military Veterans Hall of Fame (IMVHOF), a 501(c)3 organization, was founded in 2013. The IMVHOF’s stated objective is “to publically emphasize the honor brought to our state and nation by the sacrifice of Indiana military veterans and their families.”

On April 25, 2013, the Indiana General Assembly recognized the Indiana Military Veterans Hall of Fame organization. Indiana has the nation’s only freestanding building dedicated to its Hall of Fame and follows only a handful of other states who have established similar organizations.

The year 2014 marked the first induction of Hoosier Veterans into the Hall of Fame. Each inductee received the Hall of Fame medallion and certificate. Up to 15 Indiana military veterans may be inducted into the Hall of Fame each year.

On April 5, 2018, the Indiana Military Veterans Hall of Fame held the official grand opening of its memorial building located at 5360 Herbert Lord Road on the former Fort Benjamin Harrison in Lawrence, Indiana. Self-guided tours are available Monday through Friday from 9:00 a.m. – 4:00 p.m. For more information about the Indiana Military Veterans Hall of Fame, visit imvhof.com or call (317) 916-6164.

Easy License Plate Renewal
www.in.gov/bmv/resources/military-families

Indiana military personnel living out of the state may either obtain registration in their new state of residence or renew their vehicle registrations through the Indiana BMV.

If you live out of state, but would like to renew your registration in Indiana, you may have the BMV send your registration renewal notice and your renewed material to your home address or to the address of a friend or family member who can send the materials to your current location. You will need to have a valid mail-forwarding order with your local post office so your material will reach your current address or ensure the BMV has your friend or family member's address on record.

If you are a member of the military from another state who is stationed in Indiana, you may renew your vehicle registrations in Indiana. Visit a BMV branch with the following documents:

- Copy of your Leave and Earnings Statement
- Military Affidavit - State Form 46402 signed by your commanding officer
- Valid, current military identification card

Please note that active members of the military will not be charged an administrative penalty if they do not renew their registration by their renewal deadline.

Indiana requires licensure for many professions, including medical professionals, accountants, plumbers, engineers, and more. Military experience can count toward the requirements to obtain a license in Indiana. In addition, military spouses are also afforded an alternative route to licensure in Indiana that can expedite the process.
Family Assistance Centers: FACs are established to provide support and assistance to service members and their families of all branches. The primary mission of a FAC is to support families before, during and after a deployment, in order for service members to focus on their mission and give them peace that they and their families have a place to go to learn about and receive all of the resources and benefits they have earned. As of January 26, 2019 - AFA
Veterans of the United States armed forces may be eligible for a broad range of benefits and services provided by the U.S. Department of Veterans Affairs (VA). These benefits are codified in Title 38 of the United States Code. Included here is a brief overview of certain commonly sought information concerning veterans benefits and services. For the most accurate information, veterans and family members should visit the websites provided within this publication as regulations, payments, and eligibility requirements are subject to change. For additional information, please visit www.va.gov. For a complete copy of “Federal Benefits for Veterans, Dependents and Survivors,” call 1-800-827-1000 or download a pdf version from va.gov/opa/publications.

**eBenefits**

eBenefits is a joint VA/Department of Defense (DoD) Web portal that provides resources and self-service capabilities to service members, veterans, and their families to apply, research, access, and manage their VA and military benefits and personal information through a secure Internet connection.

Through eBenefits Veterans can: apply for benefits, view their disability compensation claim status, access official military personnel documents (e.g., DD Form 214, Certificate of Release or Discharge from Active Duty), transfer entitlement of Post-9/11 GI Bill to eligible dependents (service members only), obtain a VA-guaranteed home loan Certificate of Eligibility, and register for and update direct deposit information for certain benefits. New features are added regularly.

**Accessing eBenefits:** The portal is located at www.ebenefits.va.gov. Service members or veterans must register for an eBenefits account at one of two levels: Basic or Premium. A Premium account allows the user to access personal data in VA and DoD systems, as well as apply for benefits online, check the status of claims, update address records, and more. The Basic account allows access to information entered into eBenefits by the service member or Veteran only. Basic accounts cannot access VA or DoD systems.

**Reporting Fraud**

Help VA’s Secretary ensure integrity by reporting suspected fraud, waste or abuse in VA programs or operations. Report fraud to:

VA Inspector General Hotline, 810 Vermont Avenue, NW Washington, D.C. 20420
E-mail: vaoighotline@va.gov / VAOIG hotline: 1-800-488-8244 / Fax: (202) 495-5861

**Health Care**

More information on VA health care is available from the following resources:

www.va.gov/health
www.va.gov/healthbenefits
VA Health Benefits toll-free 1-877-222-VETS (8387), Monday through Friday, 8:00 a.m. to 8:00 p.m. EST.

**Basic Eligibility:** A person who served in the active military, naval, or air service and who was discharged or released under conditions other than dishonorable may qualify for VA health care benefits including qualifying Reserve and National Guard members.
Minimum Duty Requirements: Veterans who enlisted after September 7, 1980, or who entered active duty after October 16, 1981, must have served 24-continuous months or the full period for which they were called to active duty in order to be eligible. This minimum duty requirement may not apply to veterans discharged for hardship, early out or a disability incurred or aggravated in the line of duty.

Veterans can complete applications for enrollment in VA health care by using one of the options below:

- To apply by phone, call 1-877-222-VETS (8387) Monday through Friday between 8 a.m. and 8 p.m. EST. VA staff members will collect the needed information and process the enrollment application for an enrollment determination.
- When applying online at va.gov, Veterans fill out the application and electronically submit it to VA for processing. VA will search for your supporting documentation through its electronic information systems and will contact you if it is unable to verify your military service.
- The application form can also be downloaded from www.va.gov/health-care/apply/application/introduction. Mail the completed form to: Health Eligibility Center ATTN: Enrollment Eligibility Division 2957 Clairmont Road Suite 200, Atlanta, GA 30329-1647
- Apply in person at any VA health care facility or VA regional office. Once enrolled, Veterans can receive health care at VA health care facilities anywhere in the country.

Veterans Crisis Line

The Veterans Crisis Line is a toll-free, confidential resource that connects Veterans in crisis and their families and friends with qualified, caring VA responders. Veterans and their loved ones can call 1-800-273-8255 and Press 1, chat online at veteranscrisisline.net, or send a text message to 838255 to receive confidential support 24-hours a day, 7-days a week, 365-days a year even if they are not registered with VA or enrolled in VA health care. The professionals at the Veterans Crisis Line are specially trained and experienced in helping veterans of all ages and circumstances — from Veterans coping with mental health issues that were never addressed to veterans struggling with relationships or the transition back to civilian life. European access: Veterans and members of the military community in Europe may dial 0800-1273-8255 or DSN 118. For more information about VA’s suicide prevention program, visit: www.veteranscrisisline.net.

Education Benefits

Post–9/11 GI Bill: The Post-9/11 GI Bill is an education benefit program for service members and Veterans who served on active duty after Sept.10, 2001. Benefits are payable for training pursued on or after Aug. 1, 2009. No payments can be made under this program for training pursued before that date. For more information on education and training, please visit: www.benefits.va.gov/gibill/ or call 1-888-GI-BILL-1 (1-888-442-4551).

Post–9/11 GI Bill Eligibility: To be eligible, the service member or veteran must serve at least 90 aggregate days on active duty after Sept. 10, 2001, and remain on active duty or be honorably discharged. Active duty includes active service performed by National Guard members under title 32 U.S.C. for the purposes of organizing, administering, recruiting, instructing, or training the National Guard; or under section 502(f) for the purpose of responding to a national emergency. Veterans may also be eligible if they were honorably discharged from active duty for a service-connected disability after serving 30 continuous days after Sept. 10, 2001. Additionally, under the Colmery Act of 2017, also known as the “Forever GI Bill,” all Purple Heart award recipients are eligible for Post 9/11 GI Bill entitlement providing the award was made during service occurring on or after Sept. 11, 2001, and the recipient continues on duty or receives an honorable discharge.
Marine Gunnery Sergeant John David Fry Scholarship Eligibility: The Fry Scholarship provides Post-9/11 GI Bill® benefits to the children and surviving spouses of service members who died in the line of duty after Sept. 10, 2001. Eligible beneficiaries attending school may receive up to 36 months of benefits at the 100-percent level. The Fry Scholarship includes full tuition and fees paid directly to the school for all public school in-state students. For those attending private or foreign schools, tuition and fees are capped at a statutory maximum amount per academic year. A monthly housing allowance and a books and supplies stipend are also paid to the student. Surviving children who are eligible may begin an approved program of education before the age of 18. A child’s marital status has no effect on eligibility. Eligible children are entitled to 36 months of benefits at the 100-percent level. If the qualifying parent’s death occurred before Jan. 1, 2013, the child’s eligibility ends on his or her 33rd birthday. If the qualifying parent’s death occurred on or after Jan. 1, 2013, the child’s eligibility never expires. Surviving spouses who are eligible have no timeline on when they can use the benefit; however, a spouse will lose eligibility for this benefit upon remarriage.

Housing and Employment Benefits

Housing Grants for Disabled Veterans: Service members and veterans with certain service-connected disabilities may be entitled to a housing grant from VA to help build a new specially adapted house, to adapt a home they already own, or buy a house and modify it to meet their disability-related requirements. Eligible veterans or service members may now receive up to three uses of the grant, with the total dollar amount of the grants not to exceed the maximum allowable. Housing grant amounts may be adjusted Oct. 1 every year based on a cost-of-construction index. These adjustments will increase the grants amounts or leave them unchanged; grant amounts will not decrease. Previous grant recipients who had received assistance of less than the current maximum allowable may be eligible for an additional grant usage. To obtain general information about the Specially Adapted Housing program, visit: www.benefits.va.gov/homeloans/adaptedhousing.asp or call the program’s local office at 1-877-827-3702.

Employment Services: In partnership with the Department of Labor, VA provides support to veterans and transitioning service members at all stages of their job search, including career advice, resume building, and access to employers who want to hire veterans and military spouses. More information and access to services are available at www.va.gov/careers-employment.

Preventing Veteran Homelessness: Veterans who believe they may be facing homelessness as a result of losing their homes can call 1-877-4AIDVET (877-424-3838) or visit: www.va.gov/homeless/ to receive assistance in preventing homelessness.

Burial and Memorial Benefits

VA operates 136 national cemeteries, of which 78 are currently open for both new casket and cremation interments, and 17 may accept new interments of cremated remains only. Burial options are limited to those available at a specific cemetery and may include in-ground casket, or interment of cremated remains in a columbarium, in ground, or in a scattering area. For more information, visit the National Cemetery Administration at www.cem.va.gov.

Burial Flags: VA will furnish a U.S. burial flag to recognize deceased Veterans who received an other than dishonorable discharge. This includes certain persons who served in the organized military forces of the Commonwealth of the Philippines while in service of the U.S. armed forces and who died on or after April 25, 1951. Also, eligible for a burial flag are veterans who were entitled to retired pay for service in the Reserves or National Guard; or would have been entitled if over age 60; and members or
former members of the Selected Reserve who served their initial obligation; or were discharged for a disability incurred or aggravated in the line of duty; or died while a member of the Selected Reserve. The next of kin may apply for the burial flag at any VA Regional Office or U.S. Post Office by completing VA Form 21-2008; Application for United States Flag for Burial Purposes. In most cases, a funeral director will assist the family in obtaining the flag. For additional information, visit www.cem.va.gov/cem/burial_benefits/burial_flags.asp.

**Memorial Markers:** VA provides memorial headstones and markers for placement in a national cemetery, a veterans cemetery owned by a state or in the case of a Veteran, in a state, tribal, local or private cemetery with “IN MEMORY OF” as the first line of inscription for those whose remains are unavailable for burial. Remains that are unavailable for burial are those that have not been recovered or identified, were buried at sea, donated to science or cremated and scattered completely.

Only eligible Veterans are authorized to receive memorial headstones or markers for use in private cemeteries; memorial headstones and markers are not authorized for placement in tribal cemeteries (including veterans). For memorial headstone or marker requests, applicants must be a member of the decedent’s family (spouse, individual in a legal union with the decedent, child, parent, or sibling, whether biological, adopted, or step-relation, and any lineal or collateral descendant of the decedent).

To submit a claim for a headstone or marker, or for a memorial marker for placement in a private cemetery, use VA Form 40-1330, Claim for Standard Government Headstone or Marker (available at www.va.gov/vaforms/) and provide a copy of the veteran’s military discharge documents or proof of military service. Claims sent without supporting documents will be delayed until eligibility can be determined.

Mail the completed form and supporting documents to Memorial Products Service, Department of Veterans Affairs, 5109 Russell Road, Quantico, VA 22134-3903. The form and supporting documents may also be faxed toll free to 1-800-455-7143.
